INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys—I'm in love! It's really real this time. I have to tell you all about him!

First of all, he's smart and funny and a really good writer.

He's romantic. He knows just what to say to a girl to make her wet in the panties. And he wants to sniff them after! (I love how kinky he is.)

He has good taste, IMHO. He doesn't like girls who look like Barbie dolls.

He's supportive. He always makes me feel good about the job I'm doing, even if he doesn't agree with all of my choices.

Finally—this might be the most important thing, and it's definitely the most fun—he's the horniest man I've ever met! I think his cock is permanently hard!

Have you guessed who he is yet? He's YOU. Happy, happy Valentine's Day to my forever sweethearts!

Heello! It's Abby the intern. Porn starlet Skye hates to wear clothes. With boobies like those, can you blame her?

Hey, Skye! What do you like best about posing nude?

I want to be nude always!

Even in public?

Always!

What do you do if you absolutely can't be nude?

I go bra- and panty-free so I can feel secretly nude!

What do you think is your best physical feature?

My boobs, because they look nice and I can come just from my nipples being played with and licked.

Lucky! How often do you masturbate? Never.

Never?

Well, I might give my clit a little rub now and then.

What turns you on?

Pretty much touch me anywhere.

What turns you off?

Putting things in my booty. I had a traumatic experience. :-(

Aw, but you have such a nice booty. You can spank it! I love that.

Do you like oral sex?

Yes, both ways. I'm a pleaser, and I love feeling my clit licked.

Are you a spitter or a swallower?
I swallow by reflex. It's easier and less messy.
How do you like to be fucked?
All the time! Constantly!
Where do you like a guy to come?
Mouth, boobs, body—anywhere, really. The ass is sexy, too.
Are you bisexual?
I'm pansexual.
What kind of girls do you like?
Taller than me, with larger boobs.
Larger?
Yes! D cup! Yum.
What kind of men do you like?
Nice men who take care of themselves.
How can a nice man pick you up?
Be witty and slightly aggressive.
Unfortunately, it's time to go. You can put your clothes back on.
Do I have to? :/
I'm afraid so. But you can always come back and get naked for us again.
Yay, I will! Is tomorrow too soon? *

DEAR BARELY LEGAL PANTY CONTEST WINNERS!

MM and B.W.P. no trick—your sweet letters have won you a couple of treats. Congratulations!

HAZEL

Hi,

Frequently thought about writing in before, but never did till I saw Hazel and was SO happy to see at the end she was putting her panties up for grabs.

As to why, she's got everything I look for in a woman: brunette, cute as can be, petite with little pink hips on her petite girls (small breasts ROCK!), and, of course, the best—her full, natural bush. I just LOVE natural, and hers is superb!

Dave Naz did a great job lensing her. Lots of great shots: first page with her top pulled up third page with her panties just pulled down her killer thighs; the following page, showing her pulling her delectable lips open; page 36, shot

from behind, showing her killer options, and in just about every picture, showing at least a hint of a smile.

As for how I will display them—I was thinking of a collage, in a 3'-by-2'-foot frame, her panties dead center, of course, sealed in a Mylar bag, crystal clear. If good enough for Library of Congress, good enough for her panties. Hoping it will seal in any perfume (she said she's "always wet down there") that might be on them, at least for a little while. Then pictures from her shoot around the panties: Hazel on her hands and knees, from behind, her petites hanging down, on pages 34-35; her prone on her tummy looking up, two fingers in her honeypot on page 37.

Abby the intern wrote Hazel's a coed, but a quick look on Google shows she also keeps busy when she's not hitting the books. I like to keep busy and seems she does, too! And her name—just love it! Don't think it's a cobbling together of the street she lived on and a pet's name...?

To win them would be fantastic!

Dear Summer,

I think you are the most beautiful, sexiest young women they have had in this magazine. I would love to pump and suck on your big milk-filled tits, and I would spread your pussy lips and work my fingers and tongue in there, sending you into an orgasmic frenzy, squirting. And I would mount you from behind, spanking and flooding your ass and pussy, releasing my semen over all over your sexy body. I would use your panties to get me all heated up and masturbate with.

I wish I could be there with you.

SUMMER

Hey! It's me, Lindsey. You guys, I have an important announcement: We are now on Twitter! Follow us at @BarelyLegalMag. You can see photos of our models there, and once a month one of the girls will even take over for the day, and you can stop by and say hello.

Unfortunately, I don't have time to be on Twitter myself—so, I have handed it over to our newest colleague, Anni the social media intern! She's very excited to hear from you. Just look at her smile!

Dear Lindsey,

I normally don't care too much for girls with a lot of pubic hair—however, Anni from your September issue really turns me on. She says math is hard, but thanks to Anni, I am hard! Stacy the intern asked why she posed nude, and Anni replied, "Because I'm a hot girl." Wow, is that an understatement. I'm thinking of moving to Marietta, Georgia, just to see more of Anni.

F.H.

by Internet

PS. Thank you for the encore of Abby the intern (BARELY LEGAL Classic) in the October issue!

F.H., you don't have to move to Marietta—you can see more of Anni next month, in our March issue! And don't forget to check in with her on Twitter!

I'm glad you liked Abby's pics. I've been working with her for so long, I forgot how hot she is! (Sorry, Abby.)

—Lindsey

Howdy Lindsey, my dear. How are you doing? I'd like to tell you that you did a great job with putting the October 2015 issue of BL together—a very nice group of sexy gals, as always. The two I liked the most are the bush gals, Emma Evins and Hazel Moon, because I always enjoy seeing gals with some hair between their legs. If possible, can you have Emma Evins and Hazel Moon come back for an additional spread or two?

I noticed that the October issue didn't have the Slumber Party and BARELY LEGAL Confession sections. If possible, I would enjoy seeing those sections back in the magazine again.

The BARELY LEGAL Classic with Abby the intern was great. Maybe you could consider doing classics with some of the other interns that work there.

Even though I've been a subscriber to BL for about five years now, the one question that I don't remember the interns asking the models that I think would be a good question to ask is: What kind of panties do you prefer wearing, if any at all? Plus I would be interested in knowing what kind of panties you prefer wearing, if any at all. Lindsey sweetie. :)

The Illinois Cowboy
by Internet

Thank you, Cowboy! These are all very important things to talk about.

First, Hazel and Emma. Unfortunately, Hazel won't be returning, but Emma will be back next month, in our March issue. Wait until you see how big her little bush is now!

Slumber Party and Confession. They are back this month and forever!

Classic. What does everybody think of Stacy the intern being the Classic sometime? I know she would definitely love it!

Finally, we have your question for the models, which is awesome and I can't believe we never asked it before. To make up for it, we asked two of our girls this month about their favorite panties: Tracy and our Teen Queen, Karmen.

As for me, I always wear bikini underwear. Thongs rub against my butthole too much, and I'm very tender down there. J

TRACY GOLD

Hey! It's your old pal Stacy the intern. I don't think Hungarian porn hottie Tracy will ever get her fill!

Hey, Tracy! What have you been up to since the last time we saw you (April 2015)? Making movies, having sex, and having fun. Actually they're all the same thing! You're almost a whole year older. Have you changed at all?

I'm more experienced, which is a good thing. But I also have to work harder to stay fit—especially my ass.

Your ass looks pretty awesome in that ruffled—whatever it is that you're wearing.

They're panties! I gave them to myself for Valentine's Day

Aw, Do you always wear panties?

Always. I love to wear lacy, frilly undies, always with a matching bra. You never know who you might meet. ;)

So, you don't have a valentine, but you're having lots of sex?

I have "buddies." We have fun together is anal sex still your favorite?

I love it, but I don't want to say that it's my favorite, or people might forget about my pussy I doubt that. Why do you like anal so much?

I think because my asshole is so sensitive. You know, if someone licks it, I almost come right away

Is it more sensitive than your pussy?

I think so, yes. But my pussy gets very wet. It's a different feeling, but just as good for fucking You said last time that you want it both ways every time.

Yes, back and forth

What if a guy doesn't want to fuck you in the pussy and the ass. Has that ever happened?

Yes, but it won't happen again

How do you know?

Because now I make sure to get together with two buddies at a time—one for my ass and one for my pussy.

Tracy!

No, it's a good thing. The only bad thing is, my mouth is empty

I'm sure you'll come up with a solution! *

BECCA

**best girl
for the job**

Hey, it's Lindsey. High school honor student Becca's dream is to be a BARELY LEGAL intern one day. Can I just say, I have never been more proud?

Hey, Becca! So, I hear you want to work for us.

Omigod! I can't believe you're interviewing me personally! Well, yeah, I always...

I mean, nothing against Stacy and Abby, they do an awesome job—but you're *Lindsey*. LOL! It's not that big a deal.

It is. What if I say something stupid? You'll never hire me. Let's talk about that. Why do you want to work for BL?

Because it's my favorite magazine! I love hearing what other girls have to say about sex, and reading the letters from all the guys who write in. I've learned so much from BARELY LEGAL. What's the most important thing you've learned?

That lots of guys like when girls are hairy down there, like me. High school boys don't, but who cares about them anymore? What kind of experience do you have that would make you a good BL intern?

I got an A in creative writing, I'm very nosy, and I think girls are hot.

Do you have a lot of sexual experience with girls?

Well—no, not yet. But I have tons with guys. I've lost count how many times I've done it!

Are you a very horny girl?

I masturbate all the time.

Which do you prefer, your fingers or a toy?

I always use a toy. My fingers aren't big enough. Wait! Are the readers going to think my coochie is giant? It isn't! It's tight! I just like the full feeling.

Don't worry about that. Do you ever stick toys in your butt? (Blushes.) How did you know?

Are you planning to try anal sex?

I'm planning to try everything!

That's what I like to hear.

So, can I apply for the internship?

Come back when you graduate in four months, and we'll see if you still want it. I will! And I'll have even more experience! *

my worst great sex

a BARELY LEGAL confession
by kimberly cameron

Hey! I'm Kimberly and I'm a freshman in college studying creative writing by day and anatomy by night. Please enjoy the sad tale of why my high school boyfriend dumped me.

I was completely in love and lust with my ex-boyfriend Chase. I so wanted to make a good impression on his parents, who are rich and kind of snooty. We were going to spend the summer at their family cabin, just the four of us, and "get to know each other." The only bummer was, Mr. and Mrs. Valentine said Chase and I had to sleep in separate bedrooms. Could that be more archaic? But it was a small sacrifice if it would make them like me.

Dinner the first night was brutal. It was obvious that Chase's mom and dad hated each other, even though it was that kind of quiet, please-pass-the-butter-dear hatred. Before I knew it, I had drunk way too much wine, to the point where I was scared to say another word because it would come out idiotic or offensive. I sat frozen in my seat with a big phony smile, waiting for Mr. and Mrs. Valentine to "retire."

Finally we all said good night, and I flopped onto my bed in my lonely room. Only I couldn't fall asleep, because the other unfortunate effect alcohol has on me is to make me super horny. I knew I was asking for trouble, but I had to sneak into Chase's room and climb on his cock, just for a little bit, or I would be a raving, sleepless lunatic all night.

I staggered down the hallway, still shit-faced, and tiptoed into his room. It was pitch-black. Chase grunted when I crawled into the bed.

"Shhhh!" I hissed. "You'll wake everybody up."

I burrowed under the blanket, pulled his dick out of his boxers, and stuffed it in my mouth. It immediately got huge—like, the biggest and hardest it had ever been.

"Wow!" I whispered. "I must really be turning you on."

Chase sort of gurgled yes. Even his voice sounded deeper and more manly.

I couldn't wait another second. I crawled up his body, planted my aching pussy on his cock, and bopped up and down. Chase didn't move much at first, which was good, because then I could stay sort of calm and make myself come as quietly as possible. I didn't want us to get caught. But then Chase grabbed my ass and started bucking his hips and driving his cock deeper into my pussy.

You guys—his dick touched this spot inside me that it had never hit before. Electric waves went through me from my toes to my head, which I completely lost. I howled like a banshee and slammed down on his cock, hitting the spot harder and harder until BAM. My body exploded. Just as I screamed out Chase's name, he shot a major load inside me.

All of a sudden the lights went on. I turned to see Chase and his mother staring in horror. I looked down at Mr. Valentine's jizz oozing out of my cooch.

I just thank God I didn't get pregnant. Can you imagine? Talk about awkward family dinners! *

KARMEN BELLA

Hey it's Lindsey Gorgeous Karmen is way past Teen Queen—she's a Teen Goddess.

About me: I'm a model and college freshman, studying South Asian literature. I'm a bit of a bookworm, but I like to have fun. Good, dirty fun.)

Best part of my body: My brain. It's my sexiest part. **My background:** I'm half Indian and half Romanian.

Celebrity I most resemble: People are always telling me I look like Padma Lakshmi from *Top Chef*.

Favorite hobbies: Reading, practicing yoga, cooking for my friends. Maybe that's why people say I look like Padma? (Ed. note: That's definitely not why.)

Question from reader Illinois Cowboy: "What kind of panties do you prefer wearing, if any at all?" I prefer pretty, girly panties, always. Even if I'm wearing jeans and a T-shirt, I want to be secretly pretty underneath.

Biggest turn-on: Massage my feet and I'm yours. To bi or not to bi: I have done a little exploring with girls. I prefer men, though.

Spit or swallow: I love to swallow. It feels very intimate.

Favorite position: I don't have one, but if you do, I promise I can do it. I'm very flexible.

Anal, yay or nay: I haven't had full-on anal sex, but I love to be licked and stroked down there.

Favorite place for a guy to come: Inside me. **Weirdest place I ever had sex:** On a bus. During the day!

Wildest thing I've ever done: I've actually shot some porno scenes. I like to challenge myself sexually, and that was the ultimate. It was very exciting.

Best way to make me come: Lick my pussy.

Best way for a guy to romance me: Write something for me. A poem, a song, a letter—anything. Words make me swoon.

Ultimate goal: To teach literature and share my love of books. *

size doesn't matter

It's me again Abby the intern I just know that petite porn girl Sydney is going to be a huge star!

Sydney, you're so tiny!

I prefer "fun-size."

How do you handle those big porn peens?
Prayer plus lots of lubrication. Oh, that reminds me! The other day I was in a store and I couldn't pull my ID out of my wallet cause my hands were too slippery from lube! LOL!

What did you tell the cashier?

The truth. I'm a very honest person. Okay, tell me honestly: Does penis size matter?

No. The only thing that matters is what the guy does with his penis. The same goes for pussies.

What do you think is your best body part?
My areolas. They're very suckable.

How do you keep your tiny body in such great shape?

I do hot yoga.

Or in your case, super hot yoga.

Aww. Are you trying to get in my pants?

No, but—do you like girls?

Of course! We're sexy and fun.

Do you like oral sex?

I LOVE sucking cock. When I look into the guy's eyes and see the expression on his face, my pussy just floods.

Do you have any BJ tips?

Nibble a little (don't bite), be noisy, and never forget the balls.

Do you swallow?

Nice girls always swallow.

What's your favorite sex position?

I like doggy-style, so I can show off my booty.

How do you like to be fucked?

Brutally. I like to be tossed around.

Do you like anal sex?

I'm still in training—toys and tongues. My goal is to take a cock up there someday.

What other goals do you have in life?

I guess I'd like to be a star, but it's not really a goal. If it happens, awesome. If it doesn't, that's okay. I'm having an amazing time either way! *

ello again! It's Stacy the intern. Porn starlet Karlee says she lets her hormones make a living for her. She's making my hormones go *haywire*.

Hey, Karlee! What do you like most about posing nude?

It makes me feel sexy and powerful. I looked super sexy in *Hustler* (September 2015).

Thank you! It was fun being glamorous. But

I think I look cute like this, too.

You do! Where do you get your exotic

inspiration?

I'm Italian and Brazilian.

Hot! What do you think is your best physical feature?

My boobs, 'cause they're big.

Do you ever play with them?

I'm never *not* playing with them.

Do you play with your pussy a lot, too?

Multiple times a week.

Have you always been a horny girl?

I have been completely ruled by my hormones since high school.

Did you know back then that you wanted to do porn?

Well, I definitely was *watching* it back then. LOL! But I didn't start doing it until I was 20. Is it a good living?

Yes, but to me that's a bonus. I'm in porn because I get to have sex! All the time!

What turns you on?

Ass slapping, ear biting, choking.

Do you like oral sex?

I love it. It gets me off no matter what.

Are you a spitter or a swallowier?

I enjoy doing both.

Are you bi?

Yes.

What was your best time with a girl?

I don't have one best time. They're all amazing!

How do you like to be fucked?

With passion. I want to be pounded.

Do you like anal sex?

I'm very new at it, but I like it.

Where do you like a guy to come?

On my stomach, so I can rub it all in and watch it happen. What's the best way for a guy to pick you up?

In his arms. :)

What's the best compliment a guy has ever given you?

That I'm cute and dirty. I always want to be cute and dirty!

What's your favorite fantasy?

To fuck a cop or a dad.

What is your ultimate goal?

A very sweet fan called me one of the baddest porn stars of all time. All I want is to live up to that!

Dear Friends \$

PHOTOGRAPHY BY LARRY FLYNT PRODUCTIONS

Hey! It's Stacy the intern
Porn superstarlets
Elaine and Kiera got clean for
us—so why do I feel so dirty
right now? ;)

Slippery girls in a shower? Are
you trying to kill me?

Elaina: LOL! Do you want to
come in and scrub our
backs?

No, I want to keep my job!

Kiera: Okay, we promise to
keep our hands off you

Elaina: But you *might* want to
try not looking so cute.

Whose idea was it to have sex
in the shower?

Elaina: Mine. I think I look extra
cute covered in suds, and so
does Kiera.

Kiera: You do, but I didn't enjoy
the mouthful of soap.

Elaina: You didn't give me a
chance to rinse off! You just
dove right in! Kiera is a total
pussy hound. In case you
didn't know.

Kiera: Takes one to know one!
Girls, we *all* love pussy. I think
Elaina is the biggest peen
fiend, though.

Elaina: Who, me?
You've shot a lot of boy/girl

Elaina: I love big cocks!
I don't even know how you fit
them in your itty-bitty body.

Elaina: I'm a little snug down
there—but that makes it feel
even better. Fuller.

Kiera, do you like big cocks?
Kiera: I prefer average size. I
like to fuck for a long time, and
if the guy's dick is too big... I
just don't want my pussy to be
all torn up.

Elaina: Let's see how long you
can go with this toy.

Kiera: Now I'm in for it!
What do you mean?

Kiera: For a little thing, she's
rough.

Elaina: And you love it!

Kiera: I'm gonna have to sit in
a cold bath after this.

And I have to take a cold
shower right now! *

MALLORY

I don't bite

It's not really fair the way people base their opinions on looks," observes Mallory. "I don't even want to show you."

Mallory sighs, then opens wide.

"See? Fangs! I have actual fangs. It would be okay if I were a goth or whatever, but I'm just a normal 18-year-old girl. All I want to do is suck cock. But guys see my teeth, and the pointiness scares them off."

"The one time I got to blow a guy, it was because I made sure I kept my mouth shut until the second before James slid his boner between my lips. It was heavenly! The more I sucked the goopier my bingy got. Then there was this rumbling in my mouth, and hot, salty stuff gushed down my throat. I was so happy, I totally forgot, and I smiled up at James. That was that! But I swear, I'm super-careful. If you know any brave guys, please send them my way. I promise I won't even nibble!" *
